

**Country:**

Angel from Montgomery

Boot scooten' boogie

Chicken Fried

Desperado

Folsom prison

Gone

In color

Man of constant sorrow

My Maria

Neon Moon

Ring of fire

Rollin' in my sweet baby's arms

Seven Bridges Road

Shenandoah

Something in the orange

Still make Cheyenne

Take me home country roads

The weight

Tennessee whiskey

Wagon wheel

**Blues/ R & B:**

At last

Give me one reason

Pride and joy

Sweet home Chicago

Thrill is gone

**Pop/Rock**

Blinding lights

Come as you are

Drops of Jupiter

Everlong

Heart shaped box

In your atmosphere

Iris

Make you feel my love

My heart will go on

My hero

Nutshell

One call away

Uptown funk

Someone you loved

Times like these

**Classic pop/Rock**

25 or 6 to 4

Air that I breathe

All along the watch tower

Any way you want it

Baby ima want you

Baby what a big surprise

Bad bad Leroy brown

Best of my love

Bridge over troubled water

Dock of the bay

Don't let me down

Don't let sun go down

Don't stop believing

Dreams

Drift away

Get back

Gimme some lovin  
Hallelujah  
Hard to handle  
Hard to say I'm sorry  
Have you ever seen the rain  
Hotel California  
Just the way you are  
Last dance with Mary Jane  
Layla  
Lights  
Listen to the music  
Long as I can see the light  
Long train running  
Margaritaville  
Never been to Spain  
O' Sole Mio /it's now or never  
Oh Danny boy  
Old time rock and roll  
Open arms  
Piano man  
Purple rain  
Rock and roll  
Separate ways  
She's got a way  
Simple man  
Spooky  
Sunshine of your love  
Take it Easy  
Talking to the moon  
The scientist

Ventura highway

Who's crying now

Without you

Wonderful tonight

Yesterday

You are so beautiful
